TO LEARN AND SHARE FROM EACH OTHER

MARK 3:20-END

Ask your child what they did during church today.

Tell them what you learnt during church today.

Talk about your extended family. Is it big or small? Do you spend a lot of time together, or do you only see each other occasionally?

What does being a part of God's family mean to you?

FAMILY PRAYER

A LITTLE SOMETHING TO DO TOGETHER

When we look at something in the Bible, it's advised that we should read, think, listen, pray, then live it. Find and read Proverbs 3:5 together, then pray:

Dear God, help us to learn how to trust in you instead of trying to work things out on our own. Thank you that through doing this we can be part of your family. Amen
