TO LEARN AND SHARE FROM EACH OTHER

MARK 6:14-29

Ask your child what they did during church today.

Tell them what you learnt during church today.

Talk about some people who you would consider to have a strong faith. What do you think helps them?

Have you ever spoken out for Jesus knowing you were likely to receive a negative response?

FAMILY PRAYER

A LITTLE SOMETHING TO DO TOGETHER

Find a place in the world where people are speaking out for Jesus and experience very negative reactions. Pray for them as a family asking God to give them strength and comfort.

There are some videos and other resources on the Open Doors website which might help you talk about this.
