# WEEKLY@HOME

TO LEARN AND SHARE FROM EACH OTHER

MARK 4:26-34

Ask your child what they did during church today.

Tell them what you learnt during church today.

Discuss what it means to be 'green-fingered'. Share your experiences of growing things.

Have you ever scattered the seeds of God's news but not seen the result? How does it feel?

## FAMILY PRAYER

A LITTLE SOMETHING TO DO TOGETHER

Place the plant pot that your child has brought home somewhere you can all see it. Talk about what you will need to do to help the seed to grow. Then say the following prayer:

*Lord, thank you for your love. Help us to scatter that love like seeds where ever we go. Amen.*
