TO LEARN AND SHARE FROM EACH OTHER

MARK 4:35-END

Ask your child what they did during church today.

Tell them what you learnt during church today.

What things do you find calming? It could be a particular person, certain music or a stunning view, etc.

Discuss if it is easy or hard to trust God when you have stormy times in your life?

FAMILY PRAYER

A LITTLE SOMETHING TO DO TOGETHER

Spend some time playing with water together. You could go wild and have a water balloon fight, or simply splash about in a bowl of water with things that float and sink. Enjoy the experience and refreshment that water can bring and be reminded of Jesus who calms the storms in our lives. When you are all drying off say your own prayer of 'thanks' to God.
