Pictures, Computer Images and Social Networking Permission Form Advice for Parents and Leaders

In the Diocese of Ely we opt for cautious common sense in our approach to the taking, storing and sharing of pictures (whether these are photos, moving images, computer-generated images or other pictures) of our young people. We would like to take pictures to publicise our events and illustrate our activities, and also to provide a memento for those taking part. However, we also accept that there may be people who are not comfortable with being included in pictures and that for some people, particularly those who have relocated after domestic violence or adoption, pictures can be inappropriate and may put someone at risk. Therefore, we will always ask permission for each activity, seeking agreement from participants themselves if they are adults, or from parents/carers where activities involve children or vulnerable adults. We will respect a person's right to decline to be included in pictures without asking them to explain why.

In addition, our leaders will remind participants, including children and teenagers, who wish to take their own photographs or mobile phone images NOT to take pictures without the permission of those involved. We will also remind everyone that images of other people should not be posted on Facebook or other social networking sites without permission, and that they must be careful not to take pictures that could be deemed to be insulting or indecent, even if the person involved gives permission.

Leaders of activities will not use their own mobile phones to take pictures of children or vulnerable adults with whom they are working. All images will be stored securely, usually in the church office, and not on computers or other equipment belonging to leaders. Images may be used on the church, Diocesan or Church of England websites but will not be electronically shared with other individuals.

No person under the age of 18 who appears in a photograph will be named or other specific identifying details given without permission from the parent/guardian. Children will also be asked for permission, in an age-appropriate context.

Please mark the statement overleaf to show whether or not you agree to the occasional and taking of pictures by leaders who will follow the above guidelines. If you indicate you do not wish this to happen, you will not be asked for an explanation and your request will be respected.
